Director

July 2016

Here it is, another month. Hope all my fellow HOG members are doing well and staying cool.

For those who did not attend Sweetwaters event, you missed out on a NICE ride.

The Vegas ride due to warm weather did not happen. But some of us went to Calico Ghost town. It was a comfortable ride.

Shout-outs seem to be working pretty well so there will be more to come. As said at meeting, if any of these rides are not to your liking, let me know what is.

Reminder, check your tires wear and pressure and your fluid levels. You don't want to have a break down out on the road. In this warm weather keep a bottle of water nearby and some sunscreen.

I'm enjoying this year so far and I hope you are too.

So in closing, Be Safe, Ride Safe. I'll see you out there on the road.

JULY 2016

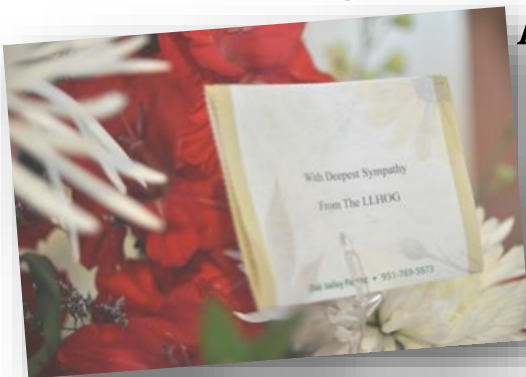

*Starting out
this month on*

*a sad note with the loss of a former
LLHOG OFFICER, Don Remai, who
succumbed to his fight with cancer.
Donnie was a vibrant member of the
chapter, was always there with his
wife Margie at our functions, and
Margie served us as the LLHOG
SECRETARY.*

*As his cancer progressed he was unable to ride with us physically, but through
his spirit Donnie was always on our rides.*

*On behalf of the LLHOG Chapter flowers were sent to
his Services held at WEAVER MOURTUARY in
Beaumont and Scott Jones was the Road Captain for
the LLHOG CHAPTER MEMORIAL RIDE to the
service.*

*Our sympathies go out to the REMAI family from
the entire LOMA LINDA HARLEY OWNERS GROUP
Chapter Members.*

*This Article is dedicated to our fellow LLHOG'ER

Ladies of Harley

Hey there gang!
Summer is officially here, whew...

At last Eboard meeting we discussed a few cooler rides to get us through the dog days of summer. Just remember to stay hydrated and use your sunscreen, I cant say that enough. I know Mr. Tubbs is working on rides to get us together and I hope more of you can make it out.

I have to get with Randy since he is finally back from working on his tan. We need to get things moving on planning our chapter picnic. I have a place in mind but we also have the park from last year as an option too. It has also been a suggestion that we have it later in the day to avoid the heat as much as we can. Would like to get a head count at the meeting to see who is interested.

I really don't have much more right now, remember bike night coming up and also Lost Highway.

Stay cool.
Sandy

The inspirational author of the following poem is unknown, but I think he rode a Harley!
Happy Independence Day! The Editor

I watched the flag pass by one day. It fluttered in the breeze.
A young Marine saluted it, and then he stood at ease.
I looked at him in uniform, so young, so tall, so proud.
With hair cut square and eyes alert, he'd stand out in a crowd.

I thought how many men like him had fallen through the years.
How many died on foreign soil, how many mothers' tears?
How many pilots' planes shot down? How many died at sea?
How many foxholes were soldiers' graves? No, freedom isn't free!

I heard the sound of Taps one night, when everything was still.
I listened to the bugler play and felt a sudden chill.
I wondered just how many times that Taps had meant 'Amen.'
When a flag had draped a coffin of a brother or a friend.

I thought of all the children, of the mothers and the wives,
Of fathers, sons and husbands with interrupted lives.
I thought about a graveyard at the bottom of the sea;
Of unmarked graves in Arlington. No, freedom isn't free!

"After voting for independence, Congress turned its attention to the Declaration of Independence, a statement explaining this decision, which had been prepared by a Committee of Five, with Thomas Jefferson as its principal author. Congress debated and revised the wording of the Declaration, **finally approving it on July 4**. A day earlier, John Adams had written to his wife Abigail:

"The second day of July, 1776, will be the most memorable epoch in the history of America. I am apt to believe that it will be celebrated by succeeding generations as the great anniversary festival. It ought to be commemorated as the day of deliverance, by solemn acts of devotion to God Almighty. It ought to be solemnized with pomp and parade, with shows, games, sports, guns, bells, bonfires, and illuminations, from one end of this continent to the other, from this time forward forever more." (Emphasis Added.)
