 Loma Linda H.O.G. Chapter #300

**DIRECTOR****Lawrence**

Spring is here!

I hope everyone is doing well. Some of the restrictions we had on us have been lifted. Which I know many of us enjoy, however still be cautious. Don't overdo it too fast. So, with that being said....

Hello My Fellow Loma Linda HOG family members.

So far it seems we have started this year on the right foot. We have had great participation on our rides. We have had input from members on things we can do and places to see. It looks like we are on an exciting path to many miles down many roads. The ride to the winery after our March meeting had a good turnout (20 bikes). Our Santa Maria ride we occupied 8 rooms, had 11 bikes 12 people. Awesome twisty roads, some I have never traveled but will travel again in the future. Those of you that couldn't make it, you really need to try and make it next time. Looking forward to the Death Valley ride at the end of April.

On a not so pleasant note, **REMEMBER** to always be alert. No matter how experienced you are things happen. Two of our members have been involved in bike verses car incidents in March. One sideswipe the other was braked check. Both riders are fine but both bikes need some repair. So, keep your eyes open not just for yourself but also for your fellow riders.

Keep giving us input for the chapter. We can be only as active as you make it.

**RIDE SAFE BE SAFE & HAVE FUN**

*Lawrence*

## Ride 365

Why join and participate? There are no trophies or prizes. Pure and simple...this is for bragging rights! Help your fellow LLHOG members get some. You can do this by going to <https://www.harley-davidson.com/us/en/owners/hog/ride-365.html> click sign-in, create account, and add your bike/bikes. Check in your mileage with a photo of vin and odometer at Quaid's front desk. Do it at the January meeting and again at the December meeting (and anytime during the year.) It's just that simple... See me or another officer for assistance.

Chris

# RIDE 365

## THE MILES YOU RIDE SHOW YOUR DEDICATION TO FREEDOM AND THE OPEN ROAD.

Whether it's an afternoon geta way or a transcontinental journey of a lifetime, every ride you take brings us closer together. Keep track of your lifetime mileage, because the miles count. If you aren't enrolled in the Lifetime mileage program, see your dealer to enroll. Miles shown reflect miles earned and entered by a dealer since enrollment into the HOG mileage program and might not reflect all miles ridden. Check with your dealer with questions.
