**DIRECTOR**

# Lawrence Tubbs

Whew! It has been warm.

Hello my fellow Hoggers.

I hope you are doing well in this slightly warm weather we have been having. Remember when riding to keep hydrated. Keep not only your bike in good condition but you as well.

As I stated at our last meeting we will start having Moonlight rides to try and avoid the heat. Any suggested route will be appreciated. Also watch the calendar...early October is Kernville late October is our Meet & Greet among other events.

**RIDE SAFE BE SAFE & HAVE FUN**

### TREASURE CHEST .... AUG 2019

This year has really gone by fast here it is AUG all ready with fall and winter right around the corner . Your Director and your Executive Officers have tried really hard to keep the Chapter Rides as diverse as possible to accommodate everyone's riding needs in the Chapter. Another option is to let your Activities or any Officer about a ride you'd like to go on and share it with the Chapter. Always on the look out for new rides so let's get some new ideas.

Our finances have always been in the black but it still takes your cooperation when it comes to the Chapter using the funds we have available for any Chapter functions. We are planning another Meet n Greet in the near future.

It's time for the Chapter to start deciding on our Transition Dinner in Jan 2020. Looking for the Chapter's input as to where you would like to have it. A new venue or old venue would work, but we need your input so we can start planning the 2020 Transition Dinner... That's all for now and see you soon on the road or the next Chapter meeting.
