 Loma Linda H.O.G. Chapter #300

**DIRECTOR****Lawrence**

Happy new year to all my fellow hog members.

I hope everyone had a safe and enjoyable holiday season. As we start the new year of 2022, I hope everyone is able to find enjoyment with friends family and their bike.

I want to thank you for allowing me to continue being your director. I will do my best as I always have tried to keep us rolling and enjoying life. Always remember you can only get out of this family what you put into it. I would like to see our Ladies of Harley to grow and be active. Also I would like to see members participate in creating rides or other activities in other forms of enjoyment that we could enjoy. I know not everybody enjoys riding long rides but this is where I need you to step up and let me know what rides you would like to do, whether long or short I am up to all. As I've always said this is not my chapter this is all of our chapter. Always remember if there is something you would like to add to the chapter or if there is something that you would like to see about changing within the chapter just bring it up talk to me or at the meeting. I want everybody to enjoy being a member and not dreading it.

At this time don't forget to renew your membership, keep your bike in good running condition and keep yourself healthy as well. Not exactly in that order but you know what I mean.

So in closing as I always say ride safe be safe and have fun. Looking forward to another year of friendship in riding with all of you.

Lawrence

**SECRETARY / EDITOR****Chris**

Happy New Year's all.

I haven't said much here for quite a while so I thought I would dust off the typewriter for 2022. We made it through another year. The chapter has logged a lot of miles regardless of the continued restrictions and mandates throughout 2021. Not too optimistic any of that nonsense will go away with the new year, but life goes on whether it be new normal, old normal or abnormal. Who's to say what normal is anyway?

Our toy drive in December was a huge success, benefitting the Aristrong Foundation. Photo of the group is on the cover. Below is a message received from one of the founders and mother of Arianna, for whom the foundation was started. We are planning the toy drive again in 2022 and hope to have an even bigger turn out.

Happy Motoring,  
Chris

*Hi Lawrence! It was a blessing finally getting to match your precious face with your voice! Thank you so very much for the toys and for coming out to our Christmas party!! The kids were so excited and blessed!! You all helped make that possible! I'm so glad you all stayed and hung out, the families truly enjoyed it! God bless every single one of you 100 fold for all you poured out!! Here's to next year and blessing even more families!!*

## Ride 365

Why join and participate? There are no trophies or prizes. Pure and simple...this is for bragging rights! Help your fellow LLHOG members get some. You can do this by going to <https://www.harley-davidson.com/us/en/owners/hog/ride-365.html> click sign-in, create account, and add your bike/bikes. Check in your mileage with a photo of vin and odometer at Quaid's front desk. Do it at the January meeting and again at the December meeting (and anytime during the year.) It's just that simple... See me or another officer for assistance.

Chris

# RIDE 365

## THE MILES YOU RIDE SHOW YOUR DEDICATION TO FREEDOM AND THE OPEN ROAD.

Whether it's an afternoon geta way or a transcontinental journey of a lifetime, every ride you take brings us closer together. Keep track of your lifetime mileage, because the miles count. If you aren't enrolled in the Lifetime mileage program, see your dealer to enroll. Miles shown reflect miles earned and entered by a dealer since enrollment into the HOG mileage program and might not reflect all miles ridden. Check with your dealer with questions.
