Loma Linda H.O.G. Chapter #300

**DIRECTOR****Lawrence**

Hello to all my fellow Hoggers,

First thank you for all the well wishes for my surgery. I still am not able to ride until some swelling goes down. All I can do is sit or lay down to speed up the process. So I am getting some X-box time in.

I hope everyone else is doing fine. Weather has been nice, I hope you have taken advantage of it and have done some riding.

Keep your ears and eyes open for rides and event coming up. If you come across something and want to share with chapter let me or Chris, your Newsletter editor know so we can throw it out there to other members. I myself is hoping that I will be well enough for our Death Valley ride.

Remember RIDE SAFE, BE SAFE & HAVE FUN.

Lawrence

**TREASURER****Randy**

TREASURE CHEST ... MAR 2020

Now that the dust has settled down from the Transition Dinner and having our members get current on their 2020 dues, we need to concentrate on recruiting new members. Talking to friends, people that you meet at bike events and sharing what LOMA LINDA HOG is all about.

The Chapter pins that some of the Chapter members ordered will be available at the 15 Mar meeting. Lawrence will be talking to the Chapter about a price increase concerning the Silver patches that was passed on to the Chapter from our supplier NORSCOTT and how it will affect the sales of the Silver Patches.

Coming up on the 27th of MAR Quaid's will be hosting their first bike night of 2020. Come on down to enjoy the vendors music food and beer.

April is National Autism month and we usually host the event along with Quaid's for the Precious Hearts Academy. More information will be provided at the March meeting.

Your Chapter finances are in the black and I will present a full financial report to the chapter at the March meeting. See you all at the March meeting in the meantime enjoy the weather and stay safe on the road.

Ride 365

Why join and participate? There are no trophies or prizes. Pure and simple...this is for bragging rights! Help your fellow LLHOG members get some. You can do this by going to <https://www.harley-davidson.com/us/en/owners/hog/ride-365.html> Click sign-in, create account, and add your bike/bikes. Check in your mileage with a photo of vin and odometer at Quaid's front desk. Do it at the January meeting and again at the December meeting (and anytime during the year.) It's just that simple... See me or another officer for assistance.

Chris

RIDE 365

THE MILES YOU RIDE SHOW YOUR DEDICATION TO FREEDOM AND THE OPEN ROAD.

Whether it's an afternoon geta way or a transcontinental journey of a lifetime, every ride you take brings us closer together. Keep track of your lifetime mileage, because the miles count. If you aren't enrolled in the Lifetime mileage program, see your dealer to enroll. Miles shown reflect miles earned and entered by a dealer since enrollment into the HOG mileage program and might not reflect all miles ridden. Check with your dealer with questions. **Read our FAQ for more information**
