**DIRECTOR****Lawrence**

My fellow HOG family members, hope you are doing well.

Here we are in March, It is a little chilly but the weather is mostly nice for riding.

Our Transition dinner was a huge success, 68 people all enjoying themselves. We had a lot of raffle prizes. A big THANK YOU to all those who contributed items. I hope everyone enjoyed the slide show of all our activities throughout the year.

This month we have Santa Maria and Death Valley. Hoping for a good turnout on both of those.

A couple of us just went to Vegas and went through Valley of Fire. It was time well spent. We need to plan a ride that includes this location in the future.

I'll be out of town for our March meeting so Brian our Assistant Director will be officiating.

We did really nice on our shirt orders. I will be submitting the order on March 2nd. It will take 3 to 5 weeks for delivery. I want to THANK EVERYONE for participating in ordering the shirts.

Here's to many rides ahead of us. I hope everyone rides safe and enjoys life.

RIDE SAFE BE SAFE & HAVE FUN

Lawrence 😁

ASSISTANT DIRECTOR

Brian

Hello HOG family,

This is going to be a great year for us, we have a lot of good rides coming up to experience our beautiful country. The first big ride was the HOG Winter Round-up in Yuma Arizona. The weather was perfect, the excursions were very enjoyable and the events at the hotel were fun as well.

We have already had a few breakfast and lunch rides this year with a great turn out with more to come, so keep an eye on your email. I encourage everyone not only to participate but if you have an idea of a place with good food and a nice route to get there, it can also be a short ride then a barbeque at someone's house. Let any of our officers know about your ideas, we will put it out there and away we go.

I know we all have constraints whether family, work or disabilities. I am looking forward to seeing more of us not only at our meetings but on the rides as well. Keep the tires on the road and the handle bars up.

Brian Bradford

Assistant Director

Chris

Hello all,

It was good to see everyone at the transition dinner. We had a great turn out with 68 members and guests. Good food, good friends, good conversation and a decent band for those that stayed a little late. While preparing this newsletter, I began pondering the word transition and the usage of the word for our annual dinner.

Merriam-Webster defines transition as: *Movement, passage or change from one position, state, stage, subject, concept, etc. to another.*

Lawrence created an excellent slide show which in some ways put a period at the end of 2021, giving us a new start in 2022. An important part of the transition dinner is to usher in the newly elected and appointed officers. Since our last transition dinner was two years ago, here is a recap of passed torches:

- Matt took over as Safety Officer.
- Brian was elected Assistant Director January of 2021.
- Christina stepped up to be the Membership Officer late 2021.
- Butch was elected Treasurer January 2022.

I'm looking forward to the transition into 2022. Some changing of the guard in the officer ranks is good and can bring fresh ideas, but active participation of members is where the change really happens. Look at the calendar list for the year. Rolling Glory, Bakersfield, Nation of Patriots, and San Simeon were all brought to us by members. The Grand Canyon and Flagstaff over-nighters were also selected with member input at the 2022 planning meeting we had in November.

I would also like to see newsletter content from members in 2022. My predecessor as Editor, Sonny, had occasional page called "Member's Voice." Comments were typically regarding rides and events but can be almost anything and can be anonymous if desired. I have added the page back in for this month. If there are any thoughts you would like to share for the April newsletter you can shoot me an email. Freedomflyerhog300@outlook.com

Happy motoring,
Chris
