Happy Holidays

SCOTT JONES DIRECTOR

Director's Report!!! Director's Report!!!!

Wow....this year has gone by so fast! I hope everyone had a good Thanksgiving holiday, I sure did there is nothing like hanging out with family and friends. The Saint Anne's run went over well, we filled up all the boxes out in front of the church with lots of food for the families and toys for the kids. This chapter has a big heart and I am glad to be part of it. Everyone that went was blessed along with their bikes by the priest and he also gave out some little church ride pins. It should help keep the rubber side down and the helmet up. It was a very good turn out

thank you all for participating. Christmas is just around the corner and you know there will be a lot of toy runs coming up so keep your eyes out for the updates on these events. Don't forget the election in December - please come out to vote. We have a lot of good people running for the different positions. This was a very good year for the Loma Linda Chapter, we have accomplished so much, and we can only get better. We also have the annual transition dinner coming up in January, hope you all got your tickets. Remember ride safe and as always have fun.

From the pen of your Assistant Director

Well another year is almost at an end.

Thanksgiving signals the start of the Holiday Season but is also a time to reflect on all the things we can be thankful for throughout the year.

What year it has been for the Chapter....multiple rides both short and long distance...our most successful ever Vet Run, thanks to all the volunteers that stepped up to the plate to make it happen, membership increasing at a steady rate, and much much more, all things to reflect on and be thankful for.

Next month is our elections to fill the various chapter officers positions.

Show your support and come out and vote for the people you want to guide the Chapter in the coming year.

Coming up quickly is the Chapter Transition Dinner in January, the food menu is fantastic and we've lined up a "rockin" band to play your favorite tunes.

If you haven't already purchased your tickets for this event be sure to do so at the next meeting or see Randy at the parts counter in the store.

That's all for this time folks....ride safe and have fun.

See ya on the road.

Rodger

RANDY KIM TREASURER

TREASURE'S CHEST.....December 2011

Well we are winding down this year and before you know it the Christmas and New Year's will be behind us as we start 2012. What a way to start out our New Year, the elections for our new Officers and our Transition Dinner to install your newly elected LLHOG Officers. Remember that when you cast your vote think real hard as to whom you want to lead our Chapter into the New Year. It's your Chapter and your voice so get involved don't just stand on the side, make your vote count.

I'm honored that you have given me your confidence to be your Treasure again this year, and I'll try my best to represent you in our Chapters financial matters. Our finances have increased over 50 % from last year and my goal is to increase that so that we will be able to purchase whatever the Chapter needs and to make contributions to our favorite charities throughout the coming year.

We still have a few remaining tickets to purchase for the Transition Dinner, see any of the Officers or come by the Dealership where you can purchase them from me. Also your Chapter dues are due by the end of the year. I'm also seeking all of our former Business Ads in our Newsletter to renew their ad. Cost is \$ 50.00 for the year and what a great bargain and way to reach out to the membership about your business.

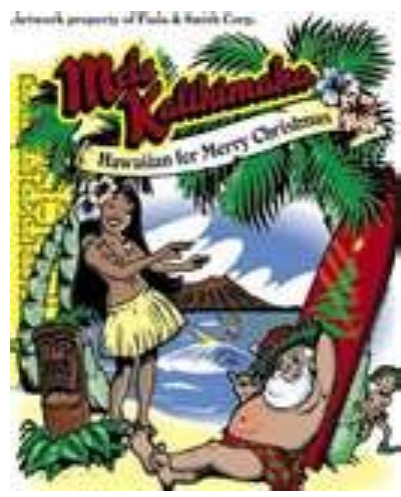

The next batch of Name tags is filling up and I need 8 more names before I can order them through HOG. Cost is \$ 10.00 and it's a great looking Name Tag, check them out at our

next meeting where most of our members are wearing them on their vest. Scott Jones still has a supply of our 2011 Veteran's Ride T shirts to be purchased at the next meeting and if I'm not mistaken we will be selling them at a reduced price, check it out.....

We are also seeking any items you would like to donate for the Transition Dinner raffle, this is another way we raise funds for the Chapter. If you or your business can donate any raffle items for this see me at the Dealership and I'll pass it along to our Transition Dinner Committee.

Hope you had a wonderful Thanksgiving and have a great Christmas holiday this season.....

Ladies of Harley-Tamra Boyce

Can't believe that 2011 will be coming to an end already, we have come along way in such a short time and have logged a lot of miles along the way. At the beginning of the year I wasn't sure what I was in for taking on Ladies of Harley and membership... I am so grateful that you all had faith in me and in our chapter. 2011 has been a very exciting and challenging year, I have made a lot of new friends along the way and am looking forward to meeting many more during the up coming year.

I am extremely honored that you have asked me to represent Loma Linda HOG as your Ladies of Harley Officer for 2012.

ACTIVITIES DIRECTOR

JOHN BOYCE (Dr. John)

What a phenomenal year 2011 has been. As a Chapter we have seen several changes this year and even though at the beginning, they seemed astronomical, it has all turned out for the better.

Our rides this year have reached out to all members and riding skills, while at the same time focusing in on the enjoyment and adventure of the ride.

We are a "Riding Chapter" and have proven that with over 100,000 miles logged in on our Chapter Rides. We have gone North, South, East and West and have incorporated some of the old school traditional rides as well as some new adventures..I hope that you have enjoyed the various rides offered up this year.

Next year we are already scheduling rides into the calendar..some of the tried and true such as Bishop in May and the Dam ride will be back on the board for all to enjoy. The important thing to remember is we are open to any and all suggestions when it comes to the activities of the Chapter.

For our "Newer Members", I wanted to mention that our Chapter does not have the traditional holiday party in the month of December, rather we have our Annual Transition Dinner, and that is where we introduce the

newly elected officers of the Chapter as well as having one heck of a party. LOH has outdone themselves this year, so please don't think twice about attending this event. It is VERY CASUAL...what you wear to the dealership or on a ride is acceptable attire..it is nothing more than a group of your friends getting together to celebrate the end of one year and the beginning of another.

The date of the Transition Dinner is January 21st 2012 and you can get further information or if you want to help out that evening contact Tamra.

As has been mentioned several times throughout the newsletter, we will be voting for the 2012 Officers at our December 18th meeting. I also have been nominated for several positions and I am flattered and humbled that you the members, have so much faith in my abilities as you continue to look for growth and leadership in the upcoming years ahead.

No matter what I finally wind up with, I can assure you that I will continue to provide you and the entire Chapter with all of the energy and devotion that you have come to expect and to keep our Chapter moving FORWARD!

Finally..let's close out the year with a huge turnout for the Circle Brook Ride

after the December 18th Meeting. We as a Chapter have come together and have donated two large screen TV's with the mounting brackets for delivery to the Circle Brook Childrens Home. They are still in need of other items such as bedding and other misc items so if you are interested in donating something..give me a call or shoot me an e-mail and I can give you some ideas. I promise that when you go on this ride with us..your hearts will be touched!!

Alrighty then..we have covered most of the important items so far except the one where I get to Wish You and Your Family the most joyous Christmas and holiday season... and to "THANK YOU" for supporting our efforts this year..now on to 2012!!!

See everyone soon!!

Dr. John
