HAPPY FOURTH OF JULY TO ALL OF THE
LOMA LINDA HARLEY OWNERS GROUP

Director - Scott Jones

Director's Report

Well here we go again, one more month gone already. As we head into July I hope every one is doing great. The turn out for the Bishop trip was fantastic! We had over 35 tents and about 60 Chapter members get together for the annual trip. The winds were a little crazy but all in all we had a awesome time. On Saturday Bully led us on a ride up to the Bristlecone Pine Forest.

These trees are found only in the Western U.S. and the ones in this forest are some of the oldest living things on earth. That's right, some of the trees are over 3,000 (not a typo) years old and you are over 10,000 feet altitude. OK, I did not memorize all of that, I read the information in the pamphlet I picked up while we were there. It got pretty cold up there and on the 150 mile loop through Nevada and back to the campground, but we stuck it out for a really great ride.

Thanks Bully for another great ride through the Sierras. Saturday evening we had a BBQ, it was soooo good! OK, it was just hamburgers and hotdogs but they always taste better when we are in Bishop. I would like to thank all of the people that helped out up there. Don't forget that on Labor Day weekend we are going back to Bishop again so if you missed the last one you still have time to make your plans to come a join us for another fun weekend of friends riding and fun.

To every one that helped out at the first Quaid's BBQ of the year on the 18th, thank you again, we had a great time. The next BBQ is set for July 16th and we will need volunteers as usual so if you want to help out just let me or John Boyce know we would love to see everyone even if you just want to come hang out and enjoy the day with everyone.

Remember ride safe and always have fun.

Scott

Treasurer/Secretary - Randy Kim

TREASURER'S/SECRETARY REPORT

JULY 2011

Well looks like I'm delegated to dual duties for the time being which makes your Primary Officers in compliance with National HOG guidelines. So for now I'll be keeping track of not only the Chapters Finances but will be keeping the written records for the Chapter also.

Anyone interested in a position on the Executive Board as the Chapter Secretary Let Scott know and we will follow National HOG procedures in filling that position.

Now down to business, as I reported earlier at the last Chapter meeting our goal now is to really generate enough funds for the rest of the year so that we will make our Transition Dinner a really big and grand event.

In order to do that we are now planning our next VETERANS /OPEN house run in Oct.

We need all the help from our Chapter members to make this a successful event. So come on and give your Chapter Officers and your Chapter a hand. Any business or vendors are welcome, along with any of your ideas will greatly be appreciated. The dunk tank will be returning and the Poker run along with the Blood Mobile will also be here. Staffing the various venues will be our priority.

I'm sure the Activities Officer will expand more on getting members to visit all of the areas local HOG Chapters to enlist their participation, so stay tuned for Dr. John's Blast and shout outs.

The next Quaid's Speedway night will be on the 8th of July. I'm inviting and challenging all of our Chapter members to ride out to the race track with me and show the race fans how the LOMA LINDA HOG CHAPTER rolls. I'll be leading the ride from Quaid's and on to the race track for a few parade laps before the races. A little mud won't hurt you. All riders will be admitted free into the races, so come on and join me for a great night of speedway racing.

That's all I have for now, so have a great and safe riding season out there and come by the dealership to see what's new at Quaid's and I'm always there to help you with your Parts and Accessories needs.....Randy

Ladies of Harley-Tamra Boyce

Thanks to Quaid's and a their great staff for hosting an awesome Garage Party! We had lots of familiar faces as well as some new ones turn out for an evening full of fun and excitement. Not to worry if you missed out on this event LLHog is planning on hosting another one later this year

I also wanted to personally thank all the of you who continue to come out and support our chapter. Whether it is at a meeting, bike night, volunteering at an event or just lending a hand because you can. You are all so appreciated, this is what makes Loma Linda HOG the best chapter in the Inland Empire. Only you can make a difference in our chapter, find out how you can make a difference.

As you may have heard that we had to cancel our picnic, but as a back up plan the Ladies of Harley will be hosting a mystery ride to a destination unknown for a "FREE" lunch. All you have to do is RSVP so that we can have a head count, then show up for our next general meeting and enjoy the Ride..... Lets make this an event to remember!

Activities Director-John Boyce

Can anyone believe we are already into July?? I can..feel the freakin heat!!!. All I can say is WOW! The rides are getting larger and longer, the attendance has been phenominal. A special “welcome” to all of our new chapter members. As we start getting in to the full swing of summer we will be setting our goals for rides to the “North and West” seeking out cooler areas for our enjoyment.

As discussed at the last general meeting, we will be putting together a few “Activities” meetings so that we can get additional input. This will include new as well as experienced members just so we can shake it up a bit. We have made some major improvements on our group riding skills and look forward to getting even better. If you are a new member and need a little assistance with riding with a group or are unsure of how our chapter functions, don’t be afraid to ask questions of any of our officers.

We have an abundance of rides already scheduled for the remainder of the year . Dam Ride is back on, Labor Day in Bishop, California State Rally and of course our own Veterans Ride scheduled for October 22nd.

As we continue to grow ,we sure could use the additional assistance from the Chapter. If you have some spare time or a unique talent..talk to one of the officers about helping out. It will not take up all of your time...promise.

On the Activities side, we could use a few folks for the Activities Committee or even as assistant road captains. Give me a call or shoot me an e-mail .

July has a ride every weekend!! Blood Drive this month, Crestline Celebration, Our Burger Burn and several other promising rides..check out the calendar and web page www.lomalindahog.com

Looking forward to seeing you on the RIDES!!

Dr. John

LINDA SWEARINGTON

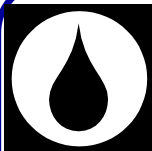

REPORT

BLOOD DRIVE OFFICER

NEXT BLOOD DRIVE DATE:

JULY 2, 2011 @ 10:00 A.M.

A healthy donor may donate Platelets as few as 3 day apart, but a maximum of 24 times a year!

One out of every 10 people admitted in a hospital needs blood.

The two most common reasons cited by people who don't give blood are:

“Never thought about it”

“I don't like needles”

July's lunch ride following the Blood Donation will be a non-freeway ride to the Mile High Café at the Hesperia Airport. We will need to leave the Blood Bank no later than 12:00 noon. The restaurant closes at 2:00 P.M., so make sure you arrive on time to donate.

ATTENTION: If you donated blood at the Open House on April 9th and did not specify that your donation be credited to MHDS, your donation was credited to the community not to our chapter. Please contact the Blood Bank and have your donation transferred to the chapter .

Call (909) 885-6503 ext. 309

BLOOD DONORS FOR THE MONTH OF MAY WERE:

John Boyce (Dr. John) , James Scott, Joshua Richardson, & Linda Swearington—thank you for your donations!

See you July 2nd at Life Steam!

DONATIONS TO
DATE 38**

Military Liaison– Daryl “Pappy” Carroll

SEMPER FI

A chaplain, who happened to be assigned to the Pentagon, told of an incident that happened right after Flight 77 hit the Pentagon on 9/11.

A daycare facility inside the Pentagon had many children, including infants who were in heavy cribs. The daycare supervisor, looking at all the children they needed to evacuate, was in a panic over what they could do. There were many children, mostly toddlers, as well as the infants that would need to be taken out with the cribs.

There was no time to try to bundle them into carriers and strollers. Just then a young Marine came running into the center and asked what they needed. After hearing what the center director was trying to do, he ran back out into the hallway and disappeared. The director thought, “Well, here we are on our own.”

About 2 minutes later, the Marine returned with 40 other Marines in tow. Each of them grabbed a crib with a child, and the rest started gathering up toddlers. The director and her staff then helped them take all the children out of the center and down toward the park near the Potomac and the Pentagon. Once they got about 3/4 of a mile outside the building, the Marines stopped in the park, and then did a fabulous thing-they formed a circle with the cribs, which were quite sturdy and heavy, like the covered wagons in the Old West. Inside this circle of cribs, they put the toddlers, to keep them from wandering off.

Outside this circle were the 40 Marines, forming a perimeter around the children and waiting for instructions. There they remained until the parents could be notified and come get their children. The chaplain then said, “I don’t think any of us saw nor heard of this on any of the news stories of the day.” It was an incredible story of our men there. There wasn’t a dry eye in the room. The thought of those Marines and what they did and how fast they reacted; could we expect any less from them? It was one of the most touching stories from the Pentagon.

Remember Ronald Reagan’s great compliment: “Most of us wonder if our lives made any difference. Marines don’t have that problem. God Bless America, our troops and you....
