Director's Report
SCOTT JONES

Director's Report!!! Director's Report!!!!

Wow how fast September came and gone. I hope every one is doing well. We are getting so close to our big Chapter event (Vet Run) October 22nd. I would like to thank every one that has signed up to volunteer to help. Without you guys stepping up we couldn't make it work - so thank you. If you did not sign up yet but would like out give one of us on the board a call or e-mail, we could still use some more help. Now on September 17 about 12 or 13 of us rode down to Biggs for their poker run and we had a great time - you missed the opportunity to dunk me in the Director dunk tank down there. The water was freezing and I got dunked about 10 or so times. That's ok you will get a second chance to get me wet at our Vet Run and you also can get some other Chapter Directors wet so lets make this a fun event for all.

OK now on to some business (**election**) we have our nomination for next year's board coming up this month so if you are interested in running, or know someone you want to be a part of our board, now is the time to start letting people know.

We have the following officer positions available **Director- Assistant Director - Treasurer – Secretary, LOH and Activities Officer** or if you would like to be on the board and do **Editor- Road Captain - Webmaster – Photographer - Blood Drive Officer – Military Liaison** these are all appointed position please think about it and let us know. Yes, it is work, sometimes a lot of work, but most of the time it is FUN so step up and help out keep this Chapter running strong, we have come a long way.

Remember ride safe and always have fun.

Scott

Rodger McEwan Assistant Director

From the Pen of your Assistant Director

Well another one is in the “Can”

That would be the Labor Day Bishop Ride.

Several chapter members made the trek along with some riders from Orange County to Brown’s Town camp ground to enjoy the pristine beauty of the Sierras for a couple of days of camping and riding. If you weren’t one of the lucky ones who made this trip, you missed a great time.

Saturday morning found us in Mammoth at “Stoves” restaurant for a fabulous breakfast, everything on the menu is excellent and they have, absolutely, the best waffles in the world.

After breakfast we took a back road “Scott leading” up to Twin Lakes for some sight seeing and picture taking. Then on up 395 to Bridgeport for some more back road sight seeing.

On the return trip we took the June Lake Loop for a stop at the “Tiger Bar” for some of their world famous home made Tiger Chips. I think we devoured nine plates of them.

On the road again and back to camp where Scott demonstrated his culinary skills that evening cooking burgers and brats for the whole crew, making good use of the chapter BBQ.

Of course the “store” had their usual supply of home made pies to help us curb our sweet tooth desires along with a dollop of your favorite ice cream to top it off.

Like I said in the beginning “if you missed the ride” you missed a great time.

Ride safe and have fun...and

I’ll see you on the road.

TREASURE'S CHEST.....OCT 2011

Couple more weeks left till our big event the LOMA LINDA HOG VETERANS POKER RUN/QUAIDS OPEN HOUSE. Have you registered yet for this? If not you better get going the ride pins are going fast to the first 200 entries. Let's all come together to help make this a great turn out. We still need a lot of help so contact any of the Chapter Officers to volunteer your time.

Turning our attention now to our coming up Elections of your LLHOG 2012 OFFICERS. All positions are up for nominations, if you are interested in running for any of the officer positions have your chapter members nominate your name. Oct and Nov will be the time for your name to be submitted.

Tickets are now being sold for the 2012 Transition Dinner to be held Jan 21, 2012 at the Mill Creek Restaurant. The Pre-Sale price for tickets is \$15.00 for members and \$20.00 for "non member" guest. Each Chapter member may purchase 1 ticket and 1 guest ticket during the Pre-Sale period, after Nov. 20, 2011 the price for each ticket goes up \$5.00 more and you may purchase more than 1 ticket at that time.

Last year's Transition dinner was a huge success and this year's will be even bigger and better so hurry and get your tickets early. Once the tickets are sold you'll be left in the dust in the dark and lonely road with nowhere to go. Start thinking now for raffle prizes to be donated at the Transition Dinner so that we may be able to raffle off as many prizes as possible that night.

November is the time for chapter members to renew their chapter dues for 2012 and I'll be collecting dues during Nov and Dec. Also business card ads in the LLHOG newsletter will be accepted at this time for 2012. Cost of membership dues is \$20.00 and business card ads for the year are \$50.00. Thank you for your support with the business card ads.

In closing as we wind down the 2011 year, your LLHOG Chapter has made great progress in every aspect. Our membership has grown, the rides are getting bigger and we only have you the members to thank for your help and support. Remember this is your chapter and only you can make it or break it. Let's make LLHOG Chapter the best in the West for 2012.....

See you in the wind with the sun on your back and a great smile in your face.

Randy...

ACTIVITIES DIRECTOR

JOHN BOYCE (Dr. John)

We are now in our last quarter of the year..Halloween, Thanksgiving and

Christmas are now on the horizon. We have had a great year so far and have ridden several thousand of miles together as a chapter. We continue to establish “New Rides” as well as incorporate some of the more familiar rides...let’s continue to hear from the membership as to where it wants to go!

We have increased our membership and welcomed in many new members which truly makes a difference to the growth of our Chapter let’s keep it up!

Activities: October obviously is the Veterans Poker Run on the 22nd. We are very proud of how the membership has stepped up to participate and volunteer for this great cause. This is really LLHOOG’s premiere event of the year, so let’s make sure that we all attend, even if you can’t participate in the poker ride itself. We have close to 200 members and we need you to “come by” and show your support. The board has done a phenomenal job in promoting this event and we are expecting a “record” turn out..so again, mark your calendar and make some time to show the rest of Southern California who Loma Linda Harley Organization is!!

The few weeks before we also have the Temecula Valley HOG “Tata’s & Tailpipes” poker run on October 8th..another great run with a cool benefit. After that we have “American Heat” on October 15th, then peeking into November we have “THE DAM RIDE”..all events are listed in detail on our webpage.

As Scott has mentioned in his article, we are now into our “nomination” period for electing primary officers for the 2012 year. If you have an interest or would like to nominate a person for one of those positions, now is the time to start considering your options. We have two months of nominations, October and November at our General membership Meeting with voting in December at that general meeting..

We have listed the positions in this newsletter with “brief” descriptions . It’s not as scary as it seems..so give it some thought, ask questions and step up to help with the continued growth of the Chapter in 2012.

2012 Nominations & Elections

Can you believe it?? Nominations & Elections are just around the corner!

Beginning at our October General Meeting being held on the 16th, the General Membership will be able to submit nominations for the Primary Officer Positions of the Chapter. Nominations will be accepted at our General Membership Meetings October 16 and November 20th with the elections being held at our December 18th meeting.

This is a great opportunity for any member that wants to make a contribution to the Chapter and continue it's growth. For a complete listing or Officer responsibilities you can go to our web page www.lomalindahog.com and download a copy of the "By Laws" or stop by the dealership and "Randy" can give you a copy.

Even better..if you have any questions. Ask one of the current officers and I am positive that they would give you a description of their duties and how much time and effort is required by each person.

The Positions are:
